The Special Educator License + BA/BS program provides candidates with an opportunity to earn a bachelor's degree in special education and a Preliminary Teaching License with an endorsement in special education.

This innovative program prepares professionals to work with students age 3 through 21 with a wide range of support needs in a variety of instructional settings. Completed in the final two years of your bachelor's degree, we will provide you with the academic and practical skills to step into your own classroom upon graduation.

Graduates of our program are employed as special education teachers and many are also working on their master's degrees and adding endorsements to expand their knowledge.
