- Thinking about *transferring* to a 4 yr college/university? It's **not too soon** to start looking at their childcare resources. It could be the perfect time to get on their **waitlist!**

A photograph of a family of three—a woman with long brown hair, a man with short grey hair, and a young boy with dark hair—gathered around a laptop. They are all looking at the screen with interest. The man is pointing at the screen. The woman is on the left, the man is in the center, and the boy is on the right. The background is slightly blurred, showing what appears to be a living room setting.
